

## **Damovo Ireland Appoints Senior Solutions Design Consultant**

Damovo Ireland has today announced the appointment of Tara Kelly as a Senior Solutions Design Consultant. In this role Tara will work with Damovo's customers to help identify their business communications requirements and develop customised innovative solutions to meet their individual needs.

Tara brings considerable experience to the position having worked in the ICT industry for a number of years. Previously employed as a Product Manager with Eircom she graduated to the role of Voice Solutions Manager in 2005 where she specialized in integrating emerging speech technology into customer voice solutions. Tara gained extensive experience in the development and implementation of advanced voice solutions which she now brings with her to Damovo.

Tara holds a BA in Mechanical Engineering from University College Dublin.

### **About Damovo**

Damovo designs, implements, supports and manages business communications. Its range of end-to-end communications solutions and services improve the way organisations work by connecting them with their people, information and clients.

Damovo has 30 years' experience in delivering data, mobility and voice solutions, and long-standing relationships with some of the leading vendors in this market, such as Ericsson, Cisco, and Nortel. This heritage enables Damovo to provide organisations with the best communications solution for their requirements, while guiding them from consultancy and design, through to implementation, support and education.

Damovo operates in 10 countries worldwide and employs over 1500 people. Its clients in Ireland include: CIE, ESB, AIB, Irish Life and Permanent, Hibernian Insurance, Dublin Institute of Technology, Trinity College Dublin, Local Authorities and Health Boards.
